iARIKISSA

*Let the African Discourse
bloom to emancipate
the African voice*

Iarikssa, in partnership with Unisa is a platform for the youth, organic and conventional intellectuals.

The discussions, debates, dialogues and scholarship on this platform have as their objective.

1. To promote and propagate the African Renaissance
2. To explore IKS as a means to anchor the African Renaissance in the Republic of South Africa in partnerships in Southern Africa.

PROJECTS:

- Food Security
- The African Primary Institution

We facilitate for the community to partner with Unisa and for Unisa to link with the community.

CONCLUSION

We commit to contribute to “live in a world where nobody anywhere lives in poverty, unemployment and is being discriminated against.
